

WINWICK CHURCH OF ENGLAND PRIMARY SCHOOL NEWSLETTER

Friday 12th January 2026

A huge well done to our Year 6 children who led their very last Class Worship this week for their family members and children in Year 4 and Year 5 too. They reflected on their value of Responsibility and what that means, as well as sharing some of the work they have doing on their learning journey this year. Mrs Mather was so proud of the way the children coordinated the worship and for how wonderfully this was shared with those attending – well done children!

Year 4 have started their swimming lessons this week and Miss Allen was very impressed with the class and they are looking forward to their session next week. Year 3 have also started something new this week; they will be having Taiko drumming lessons this term as part of their Music curriculum.

Our Enrichment Clubs have started this week and there are still spaces on some of the clubs:

MONDAY: Year 2 to Year 6 Choir

TUESDAY: Multi-Sports for Reception, Year 1 and 2; IT for Year 3 and Year 4; Lego for Year 5 and Year 6

WEDNESDAY: KS2 Netball

THURSDAY: Multi-Sports for KS2; Whole School Mindfulness

These can be booked via Arbor. If you have any issues with this, please contact our office team, who will be happy to help.

As always at this time of year, there are lots of bugs going around school at the moment, with both children and staff. If your child is unwell with a high temperature, please keep them at home until their temperature has returned to normal and inform the office of your child's absence. Thank you for your support with this. Have a wonderful weekend.

Big Feelings and Big Reactions: Making Sense of Your Child's Behaviour

With Consultant Clinical Psychologist
Dr Daniel Weisberg

This session is going to look at what's really behind the behaviours you might be seeing, from outbursts and shutdowns to school avoidance. We'll explore factors like anxiety, sensory overload and burnout.

Dr Weisberg will share practical strategies to support co-regulation, manage big feelings and handle meltdown moments.

We will also cover how these difficulties affect school and how to work with schools to advocate for your child. You'll leave with clear, useful approaches to reduce conflict and strengthen connection, with the chance to submit questions in advance.

Overview:

- Meltdowns vs. tantrums
- Understanding what behaviours are communicating
- Transitions and triggers
- Co-regulation, big feelings and managing meltdown moments
- Anxiety, burnout and sensory overwhelm
- Practical strategies for home and school
- When to seek professional support

Who can join:

This session is primarily for parents and carers of primary and high school aged-children, but anyone working with children is welcome to attend.
