Our School Vision: *'In God's love, aspire and achieve to be the best.'* - Corinthians 16:14

Friday 19th July 2024

As we reach the end of our final full week of the academic year, we reflect on what has been a very busy time!

It has been lovely to welcome our new Reception children and their grown-ups again for a 'Stay and Play' session; we can't wait for them to join us in September and hope they enjoy the summer break! Our Year 6 children have had a very busy week, with their bustling enterprise activities in the hall across the week. On behalf of Year 6 and the Year 6 Team, thank you so much for coming along to support them in their ventures and a huge well done to each of the children from their entrepreneurial skills! Not only have our Year 6 children been busy with their stalls, but they have also been working across the classes this week and have led a range of sports activities and competitions, led by our House Captains. It has been a close call with our House Points this year, but a huge WELL DONE to all the children in Nicola Adams House (Yellow), who have won our House Points Competition this academic year. As a reward, children in Nicola Adams House (Yellow), can come into school on Monday in non-uniform and will also have an extra break time together as a house. Thank you to those who attended our Keyboard Concert this week that was rescheduled by Front Row. Mr Nicholls was so impressed with the keyboarding talents of our children, who put on an excellent performance!

As we look to next academic year, you will see in our dates below that we are sharing with you advanced notice of some key dates that are in the calendar for next academic year. Our 'Meet the Teacher' sessions for this year will take place within the classroom, with one adult per child being invited to spend some time in classes getting to meet your child's new class teacher, to see their new classroom and to also work on an activity together. We also have our PTFA AGM and first Parent Board Meeting, along with a date for our New Reception Welcome Service and MacMillan Coffee Morning too. Further information will follow on PING in September, but please save the date. We hope you have a wonderful weekend; enjoy if you are attending the Winwick Carnival!

As a church school, our church at St Oswald's is really important to us. Our children love being able to visit the church to attend services and different events throughout the school year and it is important that we support them as part of our wider community.

Each week, we will share information from St Oswald's with you on our newsletter and we will also be sharing different key dates with you about the events in our local community that are supporting our church.
