Prayer for the Week...

God of compassion,
You hear the cries of all who are in trouble or distress;
accept our prayers for those whose lives are affected by storms, flooding and other natural disasters, along
with those affected by war;
strengthen them in their hour of need,
grant them perseverance and courage to face the future
and be to them a firm foundation on which to build their lives;
this we ask through Jesus Christ our Lord.

As we end the week, let us take a moment to pause, reflect and say a prayer for people closer to home and around the world who are currently being affected by war and natural disaster. Take a moment to reflect on what we are thankful for and give thoughts to those who may be in need. We have added a prayer to our newsletter this week that you are welcome to have as your own, if you would like to take a moment of reflection and prayer, you are welcome to use this one.

This week, some children from our Eco Warriors and Ethos Champions have met with our school Governors to share with them the work that they have been doing in school and also as part of our local group of church schools within their Grace Parliament work. Along with pledges for things our school can do to support the local environment, they have also been busy generating ideas for our Butterfly Garden, which we would also like to develop in memory of Canon June, who we sadly lost last year. Before the half term, the children will be sharing with you information on School PING as they would love to have any parental ideas to help them with their project, so please look out for this in the coming weeks.

Details will follow next week about our next PTFA event—our Valentine's Discos—with booking being open next week on ParentPay.

We hope that you all have a restful weekend and that you have not been impacted too harshly by today's storms.

As a church school, our church at St Oswald's is really important to us. Our children love being able to visit the church to attend services and different events throughout the school year and it is important that we support them as part of our wider community.

Each week, we will share information from St Oswald's with you on our newsletter and we will also be sharing different key dates with you about the events in our local community that are supporting our church.

Also, a gentle reminder that parents/carers should NOT park on the Premier Inn carpark and, if using the Swan carpark, you should be walking around and NOT cutting through the fencing.
