Dear God, Please help us to remember that all animals are a precious part of your creation. Help us to do our best to care for our pets at home and to work for the protection of all wild creatures in the world. Amen

It has been another good week in school in which the children have really been focusing on their handwriting. You will have all received a PING outlining our new Handwriting Policy alongside an invitation to a Parental Workshop on Friday 25th January at 2.30pm. This session will go through our expectations as a school, how we teach pre-cursive and cursive handwriting and why it is so important to get this embedded in school work as well as any homework. We would appreciate if you could let us know if you can attend so we know which room to hold it in.

As you know we are using PING to contact parents with various information, including trips, newsletters, homework, spellings etc. We have noticed that our weekly newsletter is now consistently being opened by the majority of parents however weekly homework and spellings are not always accessed via this method. We would encourage you to begin using this for all means of communication as we begin to move forward and become PAPERLESS as a school. We will be publishing some data in future weeks as to each class and their % of PING openings. Many thanks in advance for your support on this,

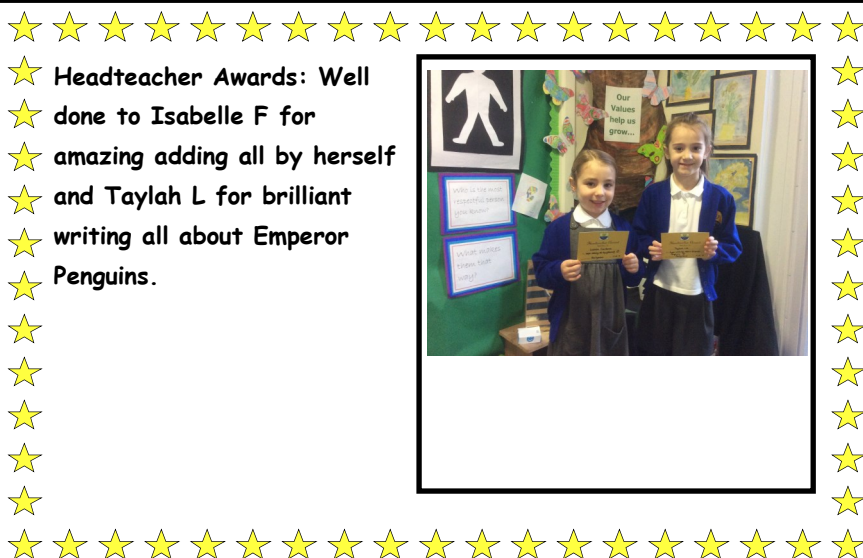

Mrs Dymond and all the team at Winwick CE
