Meal Times

The food at Crosby Hall is AMAZING!

There is always a range of options and the staff are excellent at catering for dietary needs – so please ensure these are recorded on your forms.

Children can bring a water bottle with them and fill it up throughout their stay.

Please DO NOT pack snacks and sweets – the children will have enough to eat and drink. Thank you for your co-operation with this

Meal Times

For each meal time, the children take it in turns to be part of the 'Clean Up Team' and are responsible for organising the dining room at the end of the meal time.

It's lovely to see how the children pull together and work as a team to do this. The centre staff always comment on how fantastic the children from Winwick are, particularly with their manners!

Life Skills!

Yes they will be making their own beds!

This is a perfect opportunity to get them to practise at home before hand too!

The teachers have lots of fun watching the children attempt this (we do help them – eventually! 😊)

We are going to have so much fun!
