Wednesday 1st April 2020

EASTER HOLIDAYS

Dear Parents/Carers,

On Friday 3rd April, under normal circumstances, we would have been finishing school for two weeks for the Easter holidays.

Because of this, for the next two weeks, we are not expecting the children to be 'learning from home' as they, and you, will need a break from home learning. As it would normally be the holidays, we will not be adding any additional weeks of learning to our class pages so that you can spend time as a family, and so that the children can have some time to play and reflect too.

Although we will not be adding additional weeks of learning, we know that for lots of you, you may wish to continue with elements of home learning during this time to keep some form of routine going. If you do, there is still a wealth of information within the school closure section of our website, not only on each class page from the weeks that are already there, but also in the 'resources for all' section, should you wish to use them. The children will also still have access to SumDog, TTRockstars and Purple Mash during this time too.

Over the past couple of weeks, the majority of our children have been learning from home and we know that, as parents and carers, you have all been doing a brilliant job of trying to support them with this. As we said earlier this week, we are not expecting you to do the job that our teachers and teaching assistants would do in school and we fully appreciate that, for many of you, you are also trying to work from home. We know that these past couple of weeks may have been quite challenging and we know that you are doing the best that you can do under the circumstances. Well done to you all and thank you for helping the children keep some form of routine going.

Although school is closed, our staff are working on a rota and will be continuing to make sure that the school can open school over the 'Easter holiday period' for the small number of children of critical workers who need this, with the exception of Good Friday and Easter Monday. If you are a critical worker, and your child is unable to be cared for safely at home, and you are in need of this service, please email winwick_primary@warrington.gov.uk before 8am each morning that you require care for that day; this will enable us to arrange for suitable staffing cover. Thank you.

We will be sending out our newsletter this Friday, so please have a look at our final messages before we 'finish' for the Easter holidays.

We hope that you are keeping safe and well. Thank you for your continued support.

PRAYER IN HARD TIMES

Father God, we lift up those who are facing hard times. You know every worry, every tear they cry, and every battle they face. Even when things seems hopeless, we ask that you would renew their faith. Remind them of your faithfulness, and your promise to work everything out for our good. In Jesus' name, Amen!

In God's love, aspire and achieve to be the best'
