Prayer for the Week

Heavenly Father, I come before you in this moment of pause, and I ask for your strength to carry on and for the wisdom to discern what is truly important. Help me to slow down, to quiet my mind, and to connect with your peace. Amen

On behalf of our Year 6 children and our staff team, we would like to say a huge THANK YOU to everyone who has helped support our Year 6 enterprise event and min-summer gala this week. From the kind donations to the delicious cakes and then your attendance to show your support at the event, we really appreciate the fact that so many people came along to support us. Our Year 6 children will use the money they raised on their stalls to help fund their end of year treat day and funds raised on the other stalls will go towards school funds towards other projects in school.

This week, we had our 'Winwick Bake Off' Competition, with Bea B from stealing the show with their delicious creation, which was then used as a donation to the cakes and treats stall at the gala. We have a budding Mary Berry in the making—well done! And also a big WELL DONE to our 2nd place winner—Evie C, our 3rd place winner—Isaac C and to our runners-up Scarlet O and Luella H. I'm sure we will see you on The Great British Bake Off in the future! You can see their creations later in the newsletter!

This week, we have had another Dance Experience Day, with children across the school taking part in African Dance Workshops. The children have enjoyed each of the recent dance days and getting to experience dances from different cultures. We look forward to the other workshops that will be taking place in the Autumn term too. Our new Reception children joined us for their last Stay and Play session this week; we are really looking forward to seeing them all again in September when they 'officially' join our Winwick family!

This week, we sent out a parental survey to ascertain information about parental need for access to our Breakfast and After-school Link Club for next academic year. This information will now be collated to help us plan for staffing for next academic year—we will send further details about this before the start of next academic year. We have also sent out the first wave of communication out about our new parental app Arbor—please make sure you have looked at the information—thank you.

Finally a massive CONGRATULATIONS to our Year 5 children, who this week were placed FIRST in the country in their SumDog Mathematics Competition! What an achievement! We also had lots of the children being placed within the Top 100 children too! AMAZING!

On behalf of the Winwick Team, we hope you all have a wonderful weekend.

Early help

What is early help? Our early help teams work with families to provide support to children, young people and their families as soon as difficulties start to emerge.

Early help can:

- provide support as soon as a problem emerges
- help prevent further problems from arising
- be offered to the whole family with services delivered jointly

Any professional working with your family, such as schools, health services and voluntary sector organisations, can offer early help services as soon as they can see that advice, support and/or intervention may be needed.
