Our School Vision: 'In God's love, aspire and achieve to be the best.' - Corinthians 16:14

Friday 21st July 2023

This week has marked our final full week in school. On Thursday, we visited St Oswald's Church and our Church Warden, John, told us about some of its history. We also had the opportunity to explore the church and do some sketching and artwork too. Our artwork will be part of the St Oswald's Heritage weekend in September and we are very excited that we are able to create our own work for the art gallery display.

Our Year 6 children have been to Conway this week. A huge thank you to Mrs Mather, Mrs Jervis, Mrs Mills and Miss Ovington for taking the children; they had a fantastic time and will leave Winwick next week with such fond memories of their final full week together.

This week, we have also marked the beginning of the Women's World Cup, finding out more about the event and reflecting on what messages of 'good luck' we would like to send to the Lionesses. If children would like to wear their England shirts next week when they have their class non-uniform as part of treat day, they are welcome to do so.

If you have not yet done so, please could you complete our parental surveys that are on School PING by 2pm on Monday 24th July, this includes a survey about our Link Club—thank you.

Next week, we have a busy 3 days, with our Class Reward days, our Year 6 Leavers Service and then our final worship of the year before finishing at 2pm on Wednesday. We hope you have a lovely weekend.

# Our learning this week...

## YEAR 5

I enjoyed doing the drawings of the candle and the cross on the alter in the church. I enjoyed walking around the church because it was very interesting to find out about the history too!

## YEAR 4

"I enjoyed seeing the history of St Oswald's and sketching the famous stained glass windows for my art work.

## YEAR 3

I enjoyed going to the church and doing the drawings and getting to look around the church because most of the time it's a special time when you go to church so you don't have time and you are singing, so you never get to look around properly.

## YEAR 1

"What I liked about the church was that it's so interesting because I liked the colours of the glass.

## YEAR 2

"I liked to go to the church because I think it's nice and peaceful a lot of the time and the drawing was quite interesting; I tried my best with my drawings.

## RECEPTION

liked the drawing and I liked looking around church. The golden bird was my favourite.
