10th May 2021

Dear Parents, Families and Residents of Winwick,

Winwick School Community Improvement Plan | Consultation 15th March – 5th April 2021

On behalf of the School's Governing Body we would like to thank everyone for their feedback and responses to the Community Consultation which was conducted from the 15th March until the 5th April.

We received a great deal of feedback which has all been read and considered by the school governors; this has been compiled and summarised in the supporting feedback document which lists the questions asked and our responses to these. We have also listed many of the comments received for both the Phase one – upgrades, in addition to the Phase two and Phase three proposals.

This information was shared with the Parish Council on the 26th April and will be discussed at a future meeting.

We look forward to updating everyone in due course, via the school website, social media groups and Parish notice boards, of next steps and outcomes following the Consultation.

If you have any further questions or comments these can be made addressed to the Chair of Governors via the school's email address.

With our very best wishes,

Mrs J Neal
Chair of Governors

Mrs S Dymond
Head Teacher

For and on behalf of Winwick CE School Governing Body
