Our School Vision: *'In God's love, aspire and achieve to be the best.'* - Corinthians 16:14

Friday 3rd May 2024

It's been fantastic to see the first signs of warmer weather this week! We have all enjoyed some sun on the playground - let's hope it sticks around! The core value focus for this term is 'respect'. Across the school, we have been showing respect to each other by being polite, working hard for our teachers and showing kindness. Each class has been challenged to see if they can be recognised by staff as showing respect at different points across the school day.

This week, Year 5 were so excited to report back from Quiz Kids, taking part in an inter-primary school competition with other schools at Hope Academy to complete. The team did brilliantly and I went down to a three-team tie breaker, with the children finishing in 3rd place. We are so proud of their achievement as they did such a fabulous job! Well done everyone! !

Year 4 have been making a splash on the playground in science and we welcomed Year 3 parents into our school to watch their wonderful class worship.

We hope that you have a lovely Bank Holiday weekend, Mrs Duckett and the Winwick Team

## **"What a wonderful night of Quizzing !"**

On Wednesday 1st May a Year 5 Quiz team went to represent the school in an interschool Quizzing Competition.

The format of the competition was to answer questions on General Knowledge, Maths, pictures and identifying mysterious items.

It was a nail biting finish with 3 teams tied for the top position and tie breaker had to be used.

In the end Winwick came 3rd !

Thank you very much for the support and the children enjoyed thoroughly.
