**'Do things for people not because of who they are or what they do in return, but because of who you are.' Harold Kushner**

This week we celebrated our annual Languages Day in school. Each class have learnt how to say 'hello' and 'goodbye' in lots of different languages. We also shared in learning songs, stories and learnt about lots of different cultures around the world too. Please go to our school website under the curriculum area/ MFL to see more photos and work we have been doing this week.

A big thank you to Emilie and Miss Allen for all their work on making it a lovely learning experience for all.

### Goodbye to our wonderful Canon June Steventon

We will be saying our 'Goodbyes' to Canon June shortly as she begins her journey at St Elphin's to become Rector of Warrington. We are extremely proud of her and hope the whole town realise how lucky they are to have June in their corner. June has been a huge part of Winwick for the last ten years, has supported, guided and nurtured not only our children but our wider family, staff and Governors. She has been with Winwick school on each step of its journey and has been a huge part of its development and growth in recent years.

We are going to miss her warmth, guidance and support and brilliant sense of humour. You can always rely on June to brighten up any day and make you smile. June, please know how much you are loved and how much you will be missed by all.

On Tuesday, June will be coming onto the school playground at the end of the day where we will sing a song, give her three cheers and hand over some gifts. As parents, please feel free to join in with this from your distance as we know she has been a huge part of your lives too. There will also be a special goodbye video from the children, staff and Governors to June which will be available for all to see on our school website next week.

I hope you share with me now in wishing Canon June all the very best for the future and much love to her and Bethany.

Have a lovely weekend everyone, Mrs Dymond and team Winwick

### IMPORTANT WEEKLY UPDATES AND INFORMATION

**NEW RESTRICTIONS 01/10/20** Cases are continuing to rise in Warrington so your support with the local measures are a welcomed sight; thank you. Please remember to follow the local restrictions as it is our duty to try and quell this virus and protect others.

**The government has updated these to:**

- # All but essential travel for work and school;
- # It is illegal for different households to mix with each other in any indoor setting, including pubs and restaurants, or in a private garden;
- # No spectators at any amateur sporting event;
- # Face coverings must be worn in hospitality settings when not sat at your table, and in taxis (unless exempt);
- # Workers who can work from home, should do so;

REMINDERS: A **household support bubble** is where a household with **one adult** joins with another household (on an exclusive basis). Households within a bubble can still visit each other, stay overnight, and visit public places together.

A **childcare bubble** is where someone in one household can provide informal (i.e. unpaid and unregistered) childcare to a child aged 13 or under in another household. This must occur on an exclusive basis – always the same two households AND is not for social mixing.

**We are not immune to this at Winwick and are extremely lucky not to have experienced a lockdown for Year groups as yet. There are a number of schools now affected in our local area with year groups self isolating or schools partially closed; please ensure you read all communications sent out via PING as this is how we would communicate a class or local shut down of the school. This may come over a weekend too because as soon as we know about it, we will contact you so you can arrange childcare etc. In the event of this occurring, we would move all learning to our online offer previously communicated.**
